## ***DIGITUM-UK***

**SENIOR PROGRAMMER** required by DIGITUM-UK, a leading supplier of business systems to the insurance industry.

You will be able to work on the full range of software development activities – analysis, design, coding, testing, debugging and implementation. At least two years' experience of COBOL or C++ is necessary.

As we are active in Europe, fluency in French, Italian or another European language is desirable.

Don't miss this opportunity to learn new skills and develop your career.

Send your CV to CHRIS SCOTT, PERSONNEL  
MANAGER, DIGITUM-UK, 75 PARKSHILL STREET,  
LONDON SW14 3DE

RE:Senior Programmer, March 23, 2022

Dear Mr. Chriss Scott, Personel Manager of DIGITUM-UK

## **APPLICATION FOR THE POST OF SENIOR PROGRAMMING**

After learning about Senior Programming from DIGITUM-UK, I want to contact you with my interest. I was excited to see how my experience aligns with your company's need's and position requirement. I feel your mission and culture suit what I offer as a professional and would appreciate it if you could consider my application.

My name is Muhammad Falaah Azmi, I'm 24 years old and I have recently obtained my Bachelor's Degree in D4 Information Technology from State Polytechnic of Malang with GPA = 3,66.

With my education background, I am confident that my qualifications and skills can contribute significantly to your company. I have a C++ Certified Associate Programmer Certification and I have good knowledge about development, design, coding, and testing applications using Python, C++, C#, and Java. I look forward to hearing from you, at your earliest convenience to discuss how my experience and qualification's will a prove valuable in your company's role as Senior Programmer.

Thank you for your time and consideration.

Yours sincerely,

*Muhammad Falaah Azmi*
